# The Paintsmart Group

The Paint Smart Group is a newly established buying group that offers a wide range of quality brands from well-known suppliers for our customer base in the various paint and coatings sectors that we service across New Zealand.

The members of the Paintsmart Group (PSG) are well established independent suppliers with proven track records. The members offer quality service, competitive pricing and a range of quality and respected products, some of which will be exclusive. The members are like minded businesses that service the collision repair, industrial, marine, wood coatings, and decorative

paint markets. Collectively the members of PSG offer a massive amount of experience and expertise in all the industries that we service.

PSG will be running regular newsletters that will provide information, introduce new products and offer some great deals. We will also be offering these great deals in the future via our website and Facebook page.

The Smart Trade (Get Genuine) rewards program is also offered by the PSG members - providing you with "genuine" tax free rewards.

Look for the Paintsmart Group 'Certified Members' logo

“ Our customers will benefit from the extra savings on industry leading brands as well as the increase in strength of our product supply chain. ”

## Training Centre Update

*New*

## DBNZ Training Centre - Now Open

The new DBNZ training centre is finally up and running, with just a few finishing touches to be added in the next couple of weeks. The training centre has a SAMIA Gamma full downdraft spray booth, with all of the heat and extraction system being roof mounted. There is also a SAMIA extraction wall installed. The facility is long overdue and is certainly a fantastic addition for DBNZ.

The centre will be used for training on all DBNZ promoted paint product including, DeBeer water base and solvent based products, Valspar Refinish, and Valspar Industrial Mix (VIM). The centre is also utilised as a training facility to keep all the distributor technical staff up to speed with new products and techniques.

Training has begun again and a full DBNZ training calendar has been released - please see your representative for a copy, or contact your DBNZ Technical Representative.

*Saima extraction wall installed in the new training centre*

## Local News

## Linkup Paints Staff Awards

In early June all the staff and partners enjoyed a great evening at a local restaurant called Macau.

We had a great night celebrating another successful year at Linkup Paints. It's been a fantastic year for us with the economy finally kicking back into gear and long may it continue.

The staff awards were a great part of the evening, and it's a nice way to acknowledge the staff that have gone the extra mile over the past year.

The sales representative of the year went to an extremely valued member of the team, **Darryl Watson**. Darryl looks after our Marine market and some key industrial accounts in Tauranga and Mt Maunganui.

The employee of the year is a highly contested award that is voted on by the staff. So it's great to be acknowledged for your efforts by your peers.

This year the staff voted for a very well deserved member of the team, **Grant Fowler**. Grant is the warehouse manager and also handles our Wagner sales and service.

**Congratulations** to Darryl and Grant for their awards and thank you to all the staff at Linkup Paints for another great year! Let's hope for another fun year.

“ We don't just sell paint, we provide a total service... Link up with the paint specialists today! ”
