

**NEW TO  
paintsmart**

**spectratek™**

Paintsmart Group are proud suppliers of world leading Spectratek Infra-Red and UV LED lamps

### Spectratek UV LED

The use of UV-coatings in the car body repair industry has many advantages. The key benefits are speed, environmental friendliness, improved physical properties, less floor space needed etc. Until now, UV-coatings were cured by the use of medium pressure mercury discharge lamps. These mercury-lamp based curing systems have a number of serious drawbacks which include:

- Short lifetime (<500 hours)
- Frequent lamp replacement
- High replacement costs
- High energy consumption
- Lamps contain Mercury (hazardous chemical)
- These lamps require a warm-up time.

### Spectratek IR

Spectratek (made in Canada) is acknowledged by all major paint brands. It has fully equipped digital devices, with distance measurement and a temperature controller. Spectratek covers a whole range of products, from a small mobile device for spot repair to entire track systems. Talk to your Paintsmart representative to discuss the right model for you.

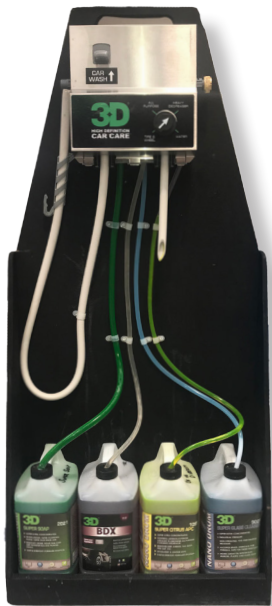

Chemcar Europe have now developed a curing system that has none of the drawbacks associated with mercury lamp based curing systems. Working from its state-of-the-art research and testing facilities in Antwerp, a top team of designers, technicians and LED experts created in co-operation with the coating industry the "UV-LED" system - destined to revolutionize UV curing in the car body repair industry sector.

### Benefits include

- Very long life, no maintenance or bulb changes
- Up to 70% energy saving
- Large uniform curing area
- Safe to use with non-hazardous chemicals and only emitting UVA radiation
- No warm up time

*For further information, contact your Paintsmart rep.*

## 3D Dilution System

**NEW**

The 3D dilution system is new to New Zealand but gaining momentum fast. This great system allows you to dilute up to 5 different concentrates with consistent metered product for optimum performance.

It allows for different flow rates and accurate dilutions to minimise waste.

This is a must for any vehicle detailer.

*Talk to you Paintsmart rep for more info and a demo!*

## Finixa Control Powder

Thanks to unique composition this sanding guide can be sanded after 3 seconds at 20 °C without filling the sanding paper.

**Receive a new applicator with every new tub!**

100grams  
Only **\$35.00!**

**HOT**  
Product!

## Paintsmart Masking Tape

Pro Yellow masking tape is very high quality and suits most industries, from vehicle refinish, marine, industrial, through to your DIY expert.

Available in 18mm, 24mm & 40mm!

## Finixa Sanding Guide

A sanding guide in a 400ml aerosol, very convenient and easy to use, quick dry time and available in black or green.

*Try it, you won't be disappointed!*

Only **\$13.50**  
each!

## Finixa Fine Polyester Putty

Finixa GAP20 fine filler is a top quality fine finishing putty with excellent adhesion and sanding properties. Available in a 2kg tin (hardener included)

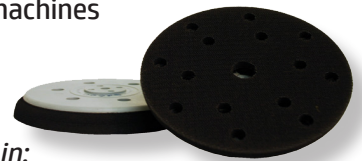

ONLY  
**\$35!**

**Purchase a tin of GAP20 and receive x2 Finixa rubber spreaders for FREE!**

## Finixa Backing Pads

Quality backing pads that fit most sanding machines

Available in:

Soft **\$50.00**

Medium **\$45.00**

## Finixa Interface Pads

5mm & 10mm  
Only

**\$13.00!**

## Finixa Weld Through Products

Finixa zinc and copper anti-corrosive weld through primers offer rust protection for Spot, MIG, and TIG welding.

These products are fast drying and have limited impact on the weld, can be used under and over the weld and painted over with most paint systems. Try one today!

Only **\$16.50**  
each!

## Finixa SPON Tape

13mm & 25mm

Only  
**\$35!**

Rounded foam strip for masking joints between two panels, one side of the strip has been treated with heat resistant adhesive. Simply stick to the inside of one of the panels and close the other panel. Protects the joint perfectly, absorbs the paint and avoids edge building.

## Iwata Airfed Respirator

The Iwata airfed respirator comes complete with belt, face hood, and gun hose.

ONLY  
**\$599**

## Iwata Breathable Airhose

Air hose complete with fittings, these compliant breathable hoses are a requirement for air supply to your airfed respirator.

10m **\$59.00**  
15m **\$105.00**

## Toptul Deals

Toptul 41 pce 1/4" drive socket set

ONLY  
**\$69**

Toptul 12 pce Ratcheting wrench set Metric 8-19mm

ONLY  
**\$185**

ONLY  
**\$255**

Toptul 12pce Flexible head ratcheting wrench set Metric 8-19mm

## Valspar Grey Shades

Valspar Grey Shade aerosols are an excellent way to improve shop throughput due to the convenience of "shake and spray" rub through priming rather than having to mix and spray in the conventional spray gun application. Adjustable nozzles also give you ultimate control of spray pattern.

Purchase any TWO colours of the Valspar Grey shade aerosols and receive a FREE Valspar cap!

## Valspar Industrial Mix

Valspar Industrial Mix has developed and released three new binders to meet the high demands of the commercial vehicle and light industrial coatings markets.

TB510 full gloss direct to metal topcoat

TB511 semi gloss direct to metal topcoat

TB512 matt direct to metal topcoat

The system can be tinted to almost any colour using the VIM tinting system. See your Paintsmart rep to discuss how VIM products can assist you.

## DeBeer 1-105 MS Matt Clearcoat

This is a great solution for everything from small jobs requiring a 2K matt finish, through to those fully customised matt repaints.

Purchase 1 x DeBeer 1-105 matt clear and receive 1 x 500ml DeBeer 47-55 MS hardener for free!

SAVE  
MORE THAN  
**\$40!**

## Bulldog Abrasive Prep & Clean

473ml  
**\$25.00**  
3.5kg  
**\$62.00**

Prep & Clean removes wax, grease, and other contaminations from the surface, and is the only paste that effectively removes the mould release agents that can cause paint problems and possible de-lamination. It is also excellent for preparing blend areas and general substrate preparation prior to painting.

## 3D Odour Eliminator

This product will eliminate odours from vomit, food, pets, smoke, and more. 3D Odour Eliminator digests the bacterial particles which neutralises the odour, adding a pleasant fragrance.

Try it  
TODAY!

## 3D BDX Brake Dust Remover

This brake dust remover will thoroughly remove iron particles and fallout from automotive paint and wheels. This is the fastest, easiest way to clean almost any wheel. Rinse the wheel, spray on BDX, and watch it work dissolving away the iron and dirt particles as it turns purple, rinse again and you're done.

## 3D Grand Slam

Grand Slam is a strong degreaser that works excellent on engines, machinery, tools, floors etc. Works fast to loosen and emulsify grease and grime for easy rinse.

## The 3M™ PPS™ Series 2.0 Spray Cup System Available NOW!

See your Paintsmart rep for more info.

3M™ PPS™ System has been a major boost to painting productivity and quality for nearly 20 years. Now 3M has made it even better in six critical areas, from top to bottom.

- Wide Spout Adapter with Four-Point Connection. Maximises stability while spraying. Makes cleaning easier.
- Quarter-Turn Lid Locking System. Comes with every lid. Stays cleaner. Locks faster. Fewer parts to keep track of.
- Domed Lid with Full-Diameter Filter. More paint below the filter improves flow and consistency, while reducing spitting from start to finish.
- New Cup in Every Lid & Liner Kit. Start with a clean cup more often, reducing paint build up. On-cup ratios and fill markings eliminate traditional mixing cups.
- Access Window. Allows you to hold the liner for cleaner, easier lid removal when refilling. Also easier to check paint levels.
- Larger Cup Sealing Plug. Allows you to seal and protect coatings upside down with greater stability when not in use. Use fewer lids by keeping filters wet.

## 3M Cavity Wax Special

Purchase 1 x can of 3M™ Cavity Wax Plus corrosion Protection Coating and **receive FREE 1 x 3M™ Cavity Wax Plus Applicator Wand Kit**

## NEW Team Member!

**Tony Jones** joined our team in late 2017. Tony is a car painter by trade and is supervising our showroom and assisting with paint mixing. Welcome aboard Tony!
