FINIXA®

paint processing products

FINIXA TOTAL BOOTH SOLUTION

Contamination of your spray booth environment has a negative effect on your profit...Finixa's advanced total booth package is the solution! We can hugely reduce the amount of de-nibbing and polishing in your shop by producing a decontamination solution for your spray booth environment.

Finixa Dust Control

The most original and efficient formula for suppressing dust circulation inside a spray booth, workshop and warehouse. Dust Control ionizes the dust so it is being drawn together in clusters which makes it heavy to circulate in the air. Mist economically with pressure sprayer. For best results, apply on a weekly basis.

Finixa Peelable Booth Coating

A white peelable coating for the protection of spray booth walls against over spray! Easy roll or spray application.

17 L
\$295⁰⁰

Finixa Liquid Masking Wall Protection Washable

Transparent washable coating that dries completely and does not stay tacky. Simply remove with water, biodegradable.

5 L
\$59⁹⁵

Finixa Cabine Protect Washable Basic

Transparent, tacky and washable coating for the protection of spray booth walls against over spray. Product stays tacky in order to hold on to swirling dust.

Dry Wash

Dry Wash lifts and encapsulates dirt particles; no scratching, not even on dirty surfaces. It works twice as fast as normal washing; no water needed, no rinsing. Fast and easy to apply; spray, spread out and wipe, creating a streakless, water-repellent finish with a deep gloss using silicone free wax protection. Works best when using two microfiber cloths.

DRW05

4ltr ONLY
\$54⁰⁰

Anti-Gravel Spray

Anti-gravel, deliverable in light grey and black, supplied with a round thick spray jet to apply the viscous product in thicker layers. Can be painted with all 1K and 2K paints. Adjust texture of finish with distance sprayed from surface.

3M

Are you using the correct adhesive?

Vehicle OEM requirements can change by make, model, year and procedure. 3M are referenced more often in OEM repair procedures for panel bonding and impact resistant structural adhesive applications than any other adhesive supplier.

Now available in NZ, the 3M™ 8116 Panel Bonding Adhesive compliments our existing range of two-part epoxy adhesives and is recommended for use on specific Fiat, Chrysler, General Motors & Volvo makes. Always check the manufacturer's requirements.
