# FINIXA®

paint processing products

## FINIXA TOTAL BOOTH SOLUTION

Contamination of your spray booth environment has a negative effect on your profit. Finixa's advanced total booth package is the solution! Your shop can an hugely reduce the amount of denibbing and polishing by producing a decontamination solution for your spray booth environment.

### Dust Control - 5L

The most original and efficient formula for suppressing dust circulation inside a spray booth, workshop or warehouse. Dust Control ionizes the dust so it is being drawn together in clusters making it too heavy to circulate in the air. Mist economically with a pressure sprayer. For best results, apply weekly.

**\$59<sup>95</sup>**

FINDC05

### Peelable Booth Coating - 17L

A white peelable coating for the protection of spray booth walls against over spray! Easy roll or spray application.

**\$305**

FINCPP17

### Liquid Masking Wall Protection Washable - 5L

A transparent washable coating that dries completely and does not stay tacky. Simply remove with water. Biodegradable.

**\$65**

FINCLM05

### Cabine Protect Washable Basic - 5L

Transparent, tacky and washable coating for the protection of spray booth walls against overspray. Product stays tacky in order to hold on to swirling dust.
