FINIXA®

Experience the Finixa Aerosol Range

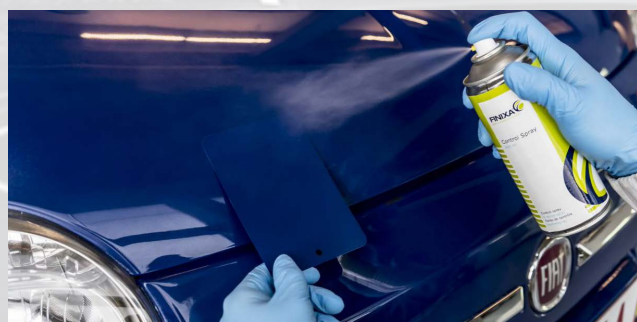

Aerosol spray cans are a fast, easy, time-saving and cost-effective way to apply paint-like products.

Finixa offers a wide range of technical sprays to help the professional body shop in nearly every step of the car body repair process; from the panel beating shop where the focus is mainly on corrosion protection, to primers and fillers for the preparation area and clear coats and lacquers for the paint shop.

Finixa Technical Sprays give you a professional application and finish.

Discuss with us about the range of Finixa products that are available and exclusive to the Paint Smart Group - you won't be disappointed.

Weld Thru Products

Finixa zinc and copper anti-corrosive weld through primers offer rust protection for Spot, MIG and TIG welding. These products are fast drying and have limited impact on the weld, can be used under and over the weld and can be painted over with most paint systems.

2K Aerosols

A SMART repair solution Polyester Spray Putty

Isocyanate-free, fast-drying, sandable after 1-hour curing at 20°C and normal humidity. High build capacity up to 100µm in 3 layers (leave to flash off 5 minutes between layers). Excellent adhesion on bare metal, galvanized substrates and sanded old paint.

Clearcoat

A quality Isocyanate-free 2K clear. Apply 2 layers with an interval of 10 minutes to get the perfect spray gun finish, which is scratch-free, petrol and UV resistant and suffers no weather influences.

FINTSP720

FINTSP710

ONLY
\$44⁵⁰
ea

1K Clearcoat

Fast-drying, high quality professional 1K clear coat with easy application and constant atomization pressure. Great flow and gloss level with non-fading and UV resistance.

All this in a handy 400ml aerosol.

FINTSP180

Control Spray

The temporary gloss layer of the Finixa control spray replaces the clear coat when checking colour, then evaporates without leaving any trace on the surface. Spray a thin layer on a sample plate (that is sprayed with a basecoat) to create a temporary shine. Compare the sample plate with the desired colour for inspection.

FINTSP930

LINKUP PAINTS GISBORNE

Linkup Paints has been servicing the Gisborne region for almost 40 years. During this time many long term business relationships have been established, and many friendships. We're rapt to announce that in late 2021 it was decided the timing was right to finally open a branch in Gisborne to service the local customers. This was not a decision that was taken lightly as we wanted to make sure it was a fully operational branch, not just a lockup for some 'top up stock'. The branch is now fully operational we two friendly staff employed and ready to offer service and advice to existing and new customers. The branch is stocking product for all the industries we service, automotive, industrial, marine, wood coatings and of course house painting. If we don't have something that you need, we'll organise it for you from our Tauranga branch, normally overnight.

Linkup Paints is truly a store that caters for anything that has coatings on it, so come on in and say hi to Shane and Jason, have a look around and discuss your needs with the guys.
