# Plastic Repair Kit - everything you need in one case

Finixa offers a wide range of adhesives and sealants especially developed for the professional body shop; versatility, problem-solving, time-saving, ease of use and environmental friendliness are the parameters in the development of our products.

Check out Finixa's plastic repair technology. The ultra-fast and cost-effective curing times combined with ease of use and extreme adhesion make this the absolute first choice of every professional.

Your Body Shop is reliant on labour sales, using Finixa Plastic Repair enables you to repair more plastic parts, hence more labour, more profit.
