

# INTRODUCING GREEN PAINT SYSTEM

## THE LATEST INNOVATION IN PAINT SYSTEMS

### CLOSING CAP DESIGNED FOR STABILITY

#### Closing cap

- Store with the filter remaining wet
- 20 caps included per box
- Also available separately

### A LID FOR EVERY CUP

#### Lid

- Lightweight lid with integrated strainer
- New strainer design for a better spray result
- Different colour for each strainer size
- 2 strainer sizes 125µm & 190µm

### ULTRA-THIN PET-LINER

#### Pet-liner

- Ultra thin PET-liner
- Up to 50% thinner compared to traditional systems
- High transparency for accurate measuring
- Less friction resulting in better paint flow
- Easier and faster collapsing than LDPE resulting in faster paint release out of the liner

### REUSABLE OUTER CUP

#### Reusable outer cup

- 10 different mixing ratios
- Optimized height-width dimension for more accurate measuring

**PURCHASE 2 BOXES & RECEIVE A FREE T-SHIRT**

**COMES IN A HANDY DISPENSER BOX**

SMAF30SHT SmartLine Nitto Style Coupling Nipple Hose Barb 3/8"	\$25.00

### FINIXA Spon Tape

**SPT13** Round shaped foam strip for masking joints between two panels. One side of the strip has been treated with heat resistant adhesive. Simply stick the tape on the inside of one of the panels and close the other panel. Protects the joint perfectly, absorbs the paint and avoids edge building.

**SPT25** Oval shaped spon tape to protect joints during paint work. Unlike the traditional spon tapes, SPT 25 is put on the moving part of the joint. The paint never comes in contact with the glue layer. The tape can still be repositioned for a perfect finishing after closing the door. Perfect to use with fade-out spraying, without edge forming.

**\$37.50**  
SPT13 / SPT25

### FINIXA Gun Shampoo

Finixa Gun Shampoo is designed to clean your spray gun after using water based paints. It can be used in all automatic or manual water-based gun cleaning machines and is a very economical way of keeping your gun clean and ready for the next job.

**\$120.00**  
BTC80

### FINIXA Pressure Sprayers

A 1 litre pressure sprayer for spraying water and solvent based degreasers and cleaners. Resistant to solvents due to viton parts. LSP 202 Premium quality at a great price

**\$49.95**  
LSP20

**\$58.50**  
LSP202

*Always consult resistance list before use*

### Control Spray

The temporary gloss layer of the Finixa control spray replaces the clear coat when checking colour, then evaporates without leaving any trace on the surface. Spray a thin layer on a sample plate (that is sprayed with a basecoat) to create a temporary shine. Compare the sample plate with the desired colour for inspection.

**\$15.95**  
TPS930

### FINIXA Control Powder

- No masking required
- No clogging of sponge
- Easy to apply
- Instant defect detection
- Full coverage of sanded area
- No dry time required as the product contains no solvents
- Perfect material for both wet and dry sanding
- Available in Black or Green

**\$46.95**  
CPS150 / CPS160
