\$230

FINPWP05W

\$215

FINPWP05T

Boothmask Wall Protection Film

PLA 32 is a static and paint absorbent white film that can be cut to size in order to be used to protect spray booth walls against overspray.

Use with magnetic strips (PLA 45)

\$139

FINPLA32

Dust Control - 5L

DUC 05 is the most original and efficient formula for suppressing dust circulation inside a spray booth, workshop and warehouse. Dust Control ionizes the dust so it is being drawn together in clusters which makes it too heavy to circulate in the air. For best results, apply on a weekly basis.

\$59.00

FINDUC05

Liquid Masking Wall Protection - 5L

Transparent washable coating that dries completely and does not stay tacky. Simply remove with water. Biodegradable.

\$75.00

FINCLM05
