WORLD LEADING MARINE & BOAT CARE PRODUCTS**

HEMPEL 100 years of development • 100 years of testing • 100 years of real life experience

Underwater Primer

A single component primer system for use below the waterline, including keels; and as a tiecoat for antifouling. Fast drying with excellent waterproofing properties.

Multi Coat

A single component semi-gloss topcoat and primer all in one. Ideal for all areas above the waterline requiring a durable semi-gloss finish or where a gloss finish is not desirable. Can be applied directly to most surfaces, including bare wood.

Light Primer (Epoxy)

A two component high performance epoxy primer and undercoat for use above and below the waterline. Use on GRP, wood, steel and aluminum. Superb corrosion, impact and water resistance. Excellent sanding properties. Available in 370ml, 750ml, 2.25L, 5L and in an Aerosol.

Dura-Gloss & Satin Varnish

A single component, urethane modified alkyd varnish. For inside and outside areas above the waterline. Provides a quick drying, extremely hard and durable finish.

Bilge & Locker Paint

A single component high opacity satin topcoat providing excellent durability, with good water and oil resistance for bilges and lockers. Available in White & Light Grey.

Teak system

Teak Cleaner

A powder for cleaning all teak areas. Especially good for large areas such as decks, and for wood that's turned dark grey. Removes dirt and marks, giving a clean surface ready for application of Hempel's Teak System.

Teak Colour Restorer

Pigmented teak oil with good penetration, giving teak surfaces a golden brown colour and a uniform finish.

Teak Oil

Unpigmented teak oil with good penetration to protect wood and make it easier to clean. Use to overcoat Teak Colour Restorer on areas of high usage.

FILLERS, SEALERS, GLUE, PRIMERS, UNDERCOATS, TOPCOATS, DECK COATINGS, VARNISHES, OILS, ANTIFOUL, OSMOSIS TREATMENT, BOAT CARE

Talk to one of our trusted retailers today to see how Hempel's technology can benefit your vessel.

SPECIAL CONDITIONS APPLY: Offers in this publication are subject to product availability and are for the month of November and December 2016 only. All prices are exclusive of GST. Product may differ from those illustrated.

Finixa Cleaning Cloths

Finixa SOF20 Degreasing Cloths have a large absorption capacity to hold as much degreaser as possible. Suitable for water based and solvent based degreasers.

ONLY
69.95

Finixa SOF50 Cleaning Cloths are suitable for all kinds of applications, including cleaning, degreasing (solvent based), polishing, etc. Very soft with large absorption.

ONLY
84.00

Finixa Pressure Sprayer

A 1 litre pressure sprayer for spraying all kinds of liquids such as degreasers and cleaners. Premium quality at a great price

ONLY
39.95

Finixa Dust Control

The original and most efficient formula for suppressing dust circulation inside a spray booth. Dust Control ionises the dust so it is being drawn together in clusters which makes it too heavy to circulate in the air. Mist on economically with pressure sprayer and repeat in normal conditions once a week.

ONLY
59.00
5 Litre

Finixa Carbine Protect Peelable Booth Coating

A white peelable coating for the protection of spray booth walls against overspray. Apply with a spray gun (2.5mm setup) in 2 to 3 coats. After contamination, normally 4-6 weeks, it is important to apply another coat. This keeps your booth clean and white, and also enables the coating to build so it's easier to remove.

ONLY
265.00
17 Litre

SSE Dual Action Sanders

Hempel Olympic Antifoul

Hempel's Olympic Antifouling advances antifouling technology as we know it in New Zealand. By incorporating a globally patented inorganic fibre reinforcement in the film, you will get a stronger, smoother finish, with a more controlled polishing rate. This reduces drag, improving fuel efficiency and speed. Available in Black, Blue, and Red.
