EXCLUSIVE Finixa Products

**THE MOST COMPLETE RANGE OF
WORLD-LEADING MARINE COATINGS AND
BOAT CARE PRODUCTS
IS NOW AVAILABLE IN NEW ZEALAND.**

New Zealanders now have access to the most complete range of coatings in the market, with the Hempel Yacht range. Covering all substrates, needs, conditions and techniques, the range includes products such as:

- Osmosis treatments - a new innovation in the market
- Leading technology antifouling & fouling control solutions
- High performing primers - protecting from the harsh marine environment
- Topcoats which provide longer gloss and colour retention
- Boat care products which save time and hassle for boat owners
- Varnishes and oils - enhancing the looks and feel of natural timber substrates

With a strong global R&D focus, Hempel yacht are continuing to innovate, and releasing new and exciting products regularly, such as the new products to market - Light Primer aerosol & Bilge & Locker paint. Hempelyacht.co.nz

Hempel Olympic Anti-Foul

Hempel's Olympic Antifouling advances antifouling technology as we know it in New Zealand. By incorporating a globally patented inorganic fibre reinforcement in the film, you will get a stronger, smoother finish, with a more controlled polishing rate. This reduces drag, improving fuel efficiency and speed.
